ORDER:

In the reference read above, the Authorised Signatory, Cinepolis India Private Limited, Vijayawada has represented that they have extended the highest standard of services through memorable world class Cinema experience at their multiplexes located in the State by installing latest equipment for enhanced cinema viewing for their guests.

2. The M/s. Cinepolis India Private Limited, PVP Mall Multiplex, Mogalrajapuram, Vijayawada, in their representation, has informed that the present movies are being made of a shorter duration. Using mechanized equipment by the housekeeping team, the cleaning time has been vastly reduced thereby facilitating additional shows in the same length of time. This also helps the organization for optimum utilization of existing infrastructure as the operational costs are higher as compared to regular theater establishments. Due to hike in electricity charges, salaries and wages, maintenance cost of theaters with superior quality and also maintenance of hygienic standards, they have requested the Government to permit them to screen additional shows.

3. In view of the advanced infrastructure facilities provided in their multiplexes and as these multiplexes are fit for the additional shows, they have requested the Government for permission to screen unrestricted additional shows between 8.00 AM to 2.00 A.M. at their Multiplex M/s. Cinepolis India Private Limited, located at "PVP Mall", Mogalrajapuram, Vijayawada.

4. Government after careful examination of the matter, hereby permit the management of the M/s Cinepolis India Private Limited, located at PVP Mall, NTS No.447, Block-18, Ward No.10, D.No.39-1-57, Mogalrajapuram, Vijayawada to screen additional shows between 8.00 AM to 2.00 AM in all the six (6) screens duly relaxing the condition No.43 of Form-B License issued under Andhra Pradesh Cinema (Regulations) Rules, 1970.

5. The Joint Collector and Licensing Authority of Krishna District is requested to take necessary action in the matter.

6. The Licensing Authority is also directed to inspect the facilities provided by them thoroughly during the periodical half yearly inspections and in case any deficiency is found by the Authority, inform the same to Government, so that action can be taken automatically to withdraw the permission accorded in para -4 above.
